Message from the President: It is so gratifying to know that you value your chamber membership. If you could take a moment to think about what motivates you every year to continue to be a member and let us know, it would help us focus on improving those things that make the Chamber special to each of you. Members have already described the sense of community they get from the Chamber's sponsorship of the annual summer event series and the enjoyment of each others' company at our meetings. The executive committee is committed to continuing and enhancing what makes our members come back every year and hope that by doing these things even better each of you will want to invite your friends to join as well. In order to provide the best return on your membership, please take a moment to describe why you are a member of the Chamber. Thank you and know that I look forward to reading your response.

Jeff
